Student & Staff Notifier

Feedback and Notification System
By Peter Nicholl

Goal

- Keep it simple - Make a busy Academic's life easier !

  - Use tools that are in general use - Word Processor

  - Cause a student to have to perform a simple action to show engagement

For Staff

- ❖ **Easy** Upload of Feedback

- ❖ **Automatic** Notification to each student

- ❖ **Traceability** of Collection of Feedback
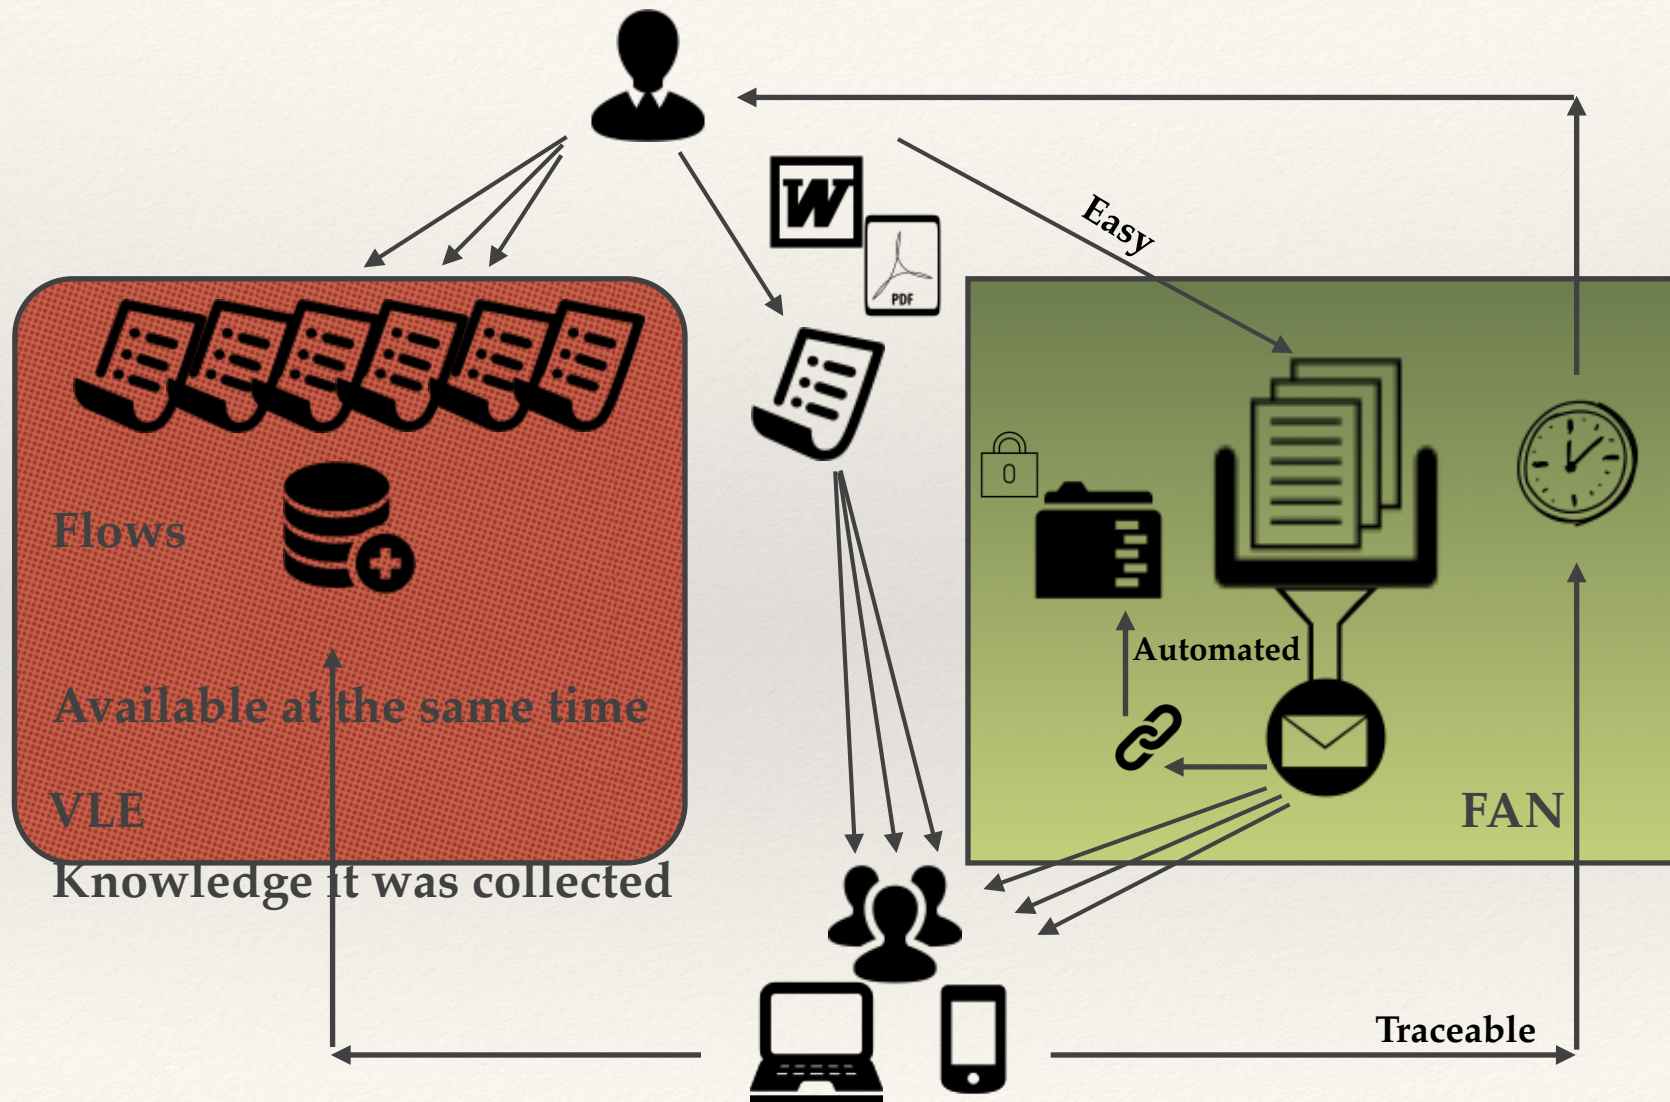

For Students

❖ **Notified** when new feedback is added for them by Staff

❖ Always **available** online

❖ **Personal and Confidential**

Post Marking-Methods to Return Feedback

Easy

Flows

Available at the same time

VLE

Knowledge it was collected

Automated

FAN

Traceable

Main Features

- Use of uniqueness of email address

  - Sending mechanism and easier to read in a folder

- Simple email message sent to student with a link to associated article on the server

  - DOC/DOCX, PDF and MP3

- Only available to the recipient of the email
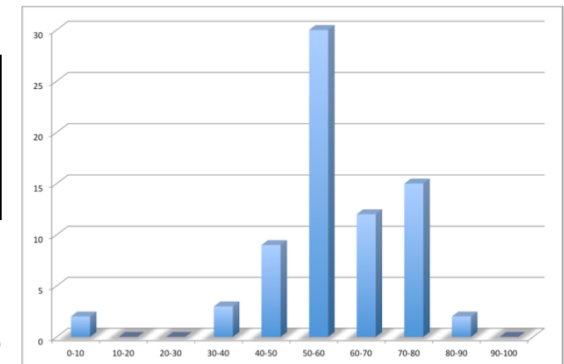

Feedback

Article(s) to return to each student

12. Increase the width and font size to a more appropriate level for the smaller device	2	4
13. Set Image to 100% for smaller device	2	2
14. Set content to 100% on smaller device	0	2
15. Reset appropriate widths for side bars	2	3
16. Removed quicklinks from display	0	2
	42	50
Total =	**84 %**	

Comment: **Well Done!**

SSN - More than FAN

❖ Feedback is just one element

❖ SSN is able to send each student targeted information

    ❖ Start an assignment

        ❖ You know if they download it

        ❖ Unique set of data per student

    ❖ Statement on areas such as attendance

Upload Student Feedback

You can select a file for each student that you wish to share feedback with.
Please use the student 'email' for each filename. (For example, 'smith-j1.docx' or 's...
The FAN System will use the 'email' to locate all the student information from Bann...
The file will be stored under a name that will be generated within the FAN System t...

Email Feedback to Individual Students

The name of the academic providing feedback — Peter Nicholl

More Information and Feedback

FAN is already making real difference to a good number of our SCM staff, but the potential to benefit large numbers of staff and students in the UK - and beyond - is huge.
